**IMPORTANT NOTICE TO APPLICANT: PLEASE READ THIS NOTICE AND CONSENT FORM CAREFULLY
BEFORE SIGNING. A COPY OF THIS FORM WILL BE PROVIDED AT ANY TIME UPON REQUEST**

**NOTICE AND CONSENT CONCERNING CONSUMER REPORTS FOR EMPLOYMENT APPLICATIONS AND
EMPLOYMENT PURPOSES**

This form, which you should read carefully, has been provided to you because the City of Decatur may request consumer reports or investigative consumer reports in connection with your application for employment or during the course of your employment with the City of Decatur, if any, for other employment-related purposes.

The City of Decatur recognizes the importance of maintaining a safe workplace with honest, trustworthy, qualified, reliable and non-violent employees who do not present a risk of serious harm to their co-employees or others. For the benefit of all employees and the City, in furthering these interests and enforcing the City's policies, the City may perform applicant background checks and employee investigations. These background checks and investigations may be performed by the City in whole or in part, at the City's discretion.

The City's applicant background checks and employee investigations may also include the use of consumer reporting agencies to gather and report information to the City in the form of consumer or investigative consumer reports regulated by federal law. Such reports, if obtained, will be prepared by consumer reporting agencies and may contain information concerning your credit standing or worthiness, credit capacity, character, general reputation, personal characteristics, or mode of living. Federal law defines a "consumer reporting agency" as any person (or entity) which for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information on consumers for the purpose of furnishing reports to third parties. The City is not a consumer reporting agency.

The types of reports that may be requested from consumer reporting agencies under this policy, include, but are not limited to, credit reports, criminal records checks, court records checks, driving records, and/or summaries of educational and employment records and histories. The information contained in these reports may be obtained by a consumer reporting agency from public record sources or through personal interviews with your co-workers, neighbors, friends, associates, current or former employers, or other personal acquaintances. Any information contained in such reports may be taken into consideration in evaluating your suitability for employment, promotion, reassignment or retention as an employee.

If the City requests an investigative consumer report to be performed by a consumer reporting agency, as defined by federal law, you will receive a notice indicating that the report has been requested no later than three days after the request is made to the agency. This additional notice, if issued, will provide you with further information pertaining to federal law governing investigative consumer reports. You will not receive such a notice if the investigation is performed by the City or a person or entity other than a consumer reporting agency.

If any adverse decision is made with regard to your application for employment or subsequent employment with the City, if any, based entirely or in part on the information contained in a consumer report or investigative consumer report prepared by a consumer reporting agency, you will be notified and given a copy of the report, as well as a summary of your applicable rights. If you have ever filed for bankruptcy, no employment decision will be based solely on this information.

Your consent is required by law before the City may obtain a consumer report or investigative consumer report from a consumer reporting agency pertaining to your application for employment and thereafter, during the course of your employment, if any, in the City's discretion. Your signature on the enclosed Consent Statement indicates that you have carefully read and understand that the City may request and review consumer reports and investigative consumer reports regarding you, consistent with this policy, both in connection with your application for employment and during the course of your employment, if any, and that you consent to the release of such consumer reports or investigative consumer reports to the City for employment purposes, including any future decisions concerning your employment, promotion, reassignment or retention as an employee of the City of Decatur. Your signature additionally reflects your understanding that such consent will remain in effect indefinitely until you revoke it (cancel it) in writing.

Limitations on the City's ability to conduct lawful investigations of applicants and employees for purposes of promoting a safe workplace and otherwise maintaining an honest, trustworthy, qualified, reliable, and non-violent workforce, are not acceptable. The City of Decatur employees are consequently expected to maintain their consent to the City's potential use of consumer and investigative consumer reports in keeping with this policy and are otherwise expected to cooperate fully with the City's lawful efforts to obtain such information. Refusal to consent to a consumer report or investigative consumer report as required by this notice and the City's policies, or any other attempt to interfere or failure to cooperate with the City's lawful investigation of any applicant or employee, may result in rejection of any application, withdrawal of an offer of employment or discipline, up to and including termination from employment.
