

# **NOTICE OF PUBLIC MEETING**

## **CITY OF DECATUR**

### **TENNESSEE RIVER BRIDGE FEASIBILITY STUDY**

The City of Decatur is conducting the second Public Involvement Meeting to obtain input and feedback regarding the Tennessee River Bridge Feasibility Study. The meeting will be held:

**Thursday, August 31, 2023**

**Ingalls Harbor Pavilion**

**802-A Wilson Street NW**

**Decatur, AL 35601**

**4:00 pm – 7:00 pm**

The City of Decatur recognizes the need to provide infrastructure improvements that better connect its traveling public to the north side of the Tennessee River and is requesting public comments on the proposed alignments.

The Public Involvement Meeting will be an informal gathering, generally with no formal presentation, that allows an exchange of information with the public. The City of Decatur, along with the project team, will be available to answer questions.

Alternative means of communication or special accommodations can be requested by contacting TTL, Inc., Shelley Gordon, (205)200-0577 or via email [sgordon@ttlusa.com](mailto:sgordon@ttlusa.com). It is encouraged that this request be made at least 5 days prior to the meeting to ensure proper accommodations.

The comment period will be open until September 1, 2023. Comments can be submitted to:

**TTL, Inc.**

**Decatur Bridge Comments**

**3516 Greensboro Avenue**

**Tuscaloosa, AL 35401**
