Barrett and Bryan,

The funding agreement that Devin just sent me shows a total of \$575,734.63 (\$460,587.70 federal and \$115,146.93 match) but the two #2 UT agreements add up to \$655,629.01 (\$524,503.21 federal and \$131,125.80 match). This includes indirect cost. Can you confirm with the MPO that they are ok to go with this increased amount? Thanks!!

Michael
